

VFR Pilot Refresher by Rod Machado

Rod Machado will share with you what he's learned about flying VFR (for local and cross country flying) over the last 45 years of flying and teaching.

Directions: Airport Administration Building Commission Meeting Room. Airport West side.
Enter from parking lot, rear of building near tower.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
